

Little Mombo

Little Mombo is situated on Mombo Island, adjoining the northern tip of Chief's Island within the Moremi Game Reserve in northern Botswana. A raised walkway links it to Mombo Camp, but distance and size combine to create an intimate luxurious camp that looks out over floodplains and together with Mombo Camp, provides some of the best game viewing in Botswana.

The camp, built under a shady canopy, has three luxurious and spacious rooms under canvas, each with en-suite facilities and an outdoor shower for those who wish to shower closer to Nature. A sala, large veranda and lounge area all provide ample place to relax and enjoy the view. Little Mombo has its own dining room, kitchen, lounge and pool overlooking the open plain in front of camp. Larger groups can also book out some of the rooms in the main camp.

Activities include morning and afternoon game drives in open 4x4 vehicles to view the high concentrations of plains game and all the predators - including the big cats - with lion sightings being particularly good. Guests can also see leopard, large herds of buffalo, cheetah, wild dog, elephant, white rhino, spotted hyaena, southern giraffe, blue wildebeest and Burchell's zebra.
