

Muchenje Safari Lodge, Chobe Botswana

Situated on the Western side of Chobe National Park, Muchenje is the only lodge in this area and offers unique prolific game experiences with unparalleled safari experiences for discerning clientele and newcomers to the bush alike.

With stunning panoramic views, the Central Lodge is the heart of Muchenje.

Guests can relax in the lounge, bar or look out platform and enjoy the wonderful homely atmosphere. The Main lodge features dining area, bar, reception, curio shop, game viewing platform and library. The feature swimming pool is built amongst natural rock formations, taking advantage of the African vista and providing a tranquil setting for guests to relax during the heat of the day. Meals are served table d'bush, wholesome and plentiful, yet well presented. Theme dinners, Vegetarians and special meal requests are catered for. Guest dine together on a long railway sleeper dining table, dress is informal.

Muchenje accommodates just twenty guests in intimate exclusivity. The ten twin-bedded thatched chalets, all with en-suite facilities, are sited on the escarpment edge all with their own balcony and unique view. Each chalet is exquisitely furnished and great care has been taken to create a true African 'ambience'.

Game Drives and private Safaris are conducted in open Land Rover with qualified professional guides.

Imagine the explosive

tranquility of hundreds of elephants surrounding you, or the excitement of a lion kill. Enjoy Night Eyes; the alternative after dinner nightcap! Experience game viewing on the Chobe by river cruise as you drift noiselessly past a bathing herd of Elephants or enter the Hippos world of Crocodiles and amazing bridlife.

Enjoy a walking safari; explore the intricacies of the bush studying animal behavior, plants, insects and Big game approaches. Our guides carry a fire arm for your personal protection.
