

VAKONA FOREST LODGE

You've been guided to a big Island in the middle of a luxiriant primary forest full of endemic vegetation and a very spectacular fauna. In this unique place in the world Vakona Forest Lodge will make you share intense moments with the nature. By respecting its environment, the hotel will put you in contact with a universe near the very first day, offering you the comfort of successful holidays at any time. If you aspire to walk in the forest, laze about or go on holidays alone, by couple or with your family, Vakona Forest Lodge will satisfy all your expectations. Situated at 140 km from the capital, at ... km of the port of Tamatave, Vakona is at 1km from Andasibe and at 6km from the main road of the Island, which makes it easily accessible by 4X4, berline, bush-taxi, micheline, riding or for those who are more courageous why not by carts?

The design of the bungalows has been conceived in the respect of the local Malagasy architecture and in harmony with its biotope. Each of the ten family bungalows with mezzanine and the fourteen double rooms has its own terrace with an outside little living room. In your request twin beds can be exchanged into double beds. A bathroom with warm water, individual toilets, a personal safety deposit box and a mini-bar are in all our rooms. Vakona Forest Lodge has attached a particular attention to the decoration of its bungalows because after enjoying a fine day, what can be more agreeable than being in a cozy place?

A sky blue swimming pool, deckchairs, and here you are ready to dive and have a suntan sitting while your kids enjoy playing at the place reserved for them. A great number of pathes and sign-posted trails lead you to the middle of the primary forest, unless you prefer doing it by V.T.T. Riding will offer you the joy and the agreeable feeling to discover the fauna and the flora with another point of view. Canoes will take you along water to discover Island of lemurs. For those who like sports, a room of squash is available. A ground of petanque, a ping-pong table, and billiards may fulfil all your needs.
