

Elephant House

The Elephant House is an exclusive 9 bedroomed lodge situated near the Addo Elephant National Park in the fertile sun-drenched Sundays River Valley. The wide verandas (filled with comfortable sofas) forming a series of courtyards are a defining feature, while the décor at Elephant House evokes colonial & African images and is furnished with

the owners' private collection of antiques, Persian rugs and Africana art. The 9 spacious bedrooms open onto courtyards & private verandas. The chef serves lovely light poolside lunches and after “sundowners” a memorable three course candlelit dinner is prepared with flair and personal attention. Children are most welcome and baby sitters are available on request. Children also have full use of the “Club Room” which has games, a TV with a DVD library, and a laptop computer.

Addo Elephant National Park is one of the world’s great conservation success stories and embraces one of the highest concentrations of big game in Africa and thus offers some wonderful game viewing opportunities. In addition to the famous elephants of Addo there are also lion, buffalo, black rhino, hyena, jackal and a variety of antelope species. Of the smaller animals the surricates and the flightless dung beetle are of great interest. Over 150 species of birds have been recorded in the area.

Elephant House has 9 spacious fully air - conditioned and heated en suite rooms. Room facilities include Percalé Linen, Air-conditioned & heated, Telephones and dial-up internet access, Hairdryers & bathrobes, Safes, King size bed - extra length, 24 hr room service.

There are various game viewing options available in Addo and the surrounding area as well as some exceptional cultural encounters. We will try to tailor your stay to suit your needs as much as possible in order for you to get the best chance to experience all the area has to offer, for example, in season, we are able to arrange a visit to a citrus farm to watch the picking, a chukka of polo at the Addo Polo Club, a round of golf

at Kirkwood Golf Club or if you are suffering from “safari fatigue” even a visit to the famous Volkswagen factory in Uitenhage!
