

Ellerman House

Ellerman House is a historical landmark situated on the most spectacular site on Kloof Road in the premier Cape Town suburb of Bantry Bay. Bantry Bay is wind-free and has panoramic views of the Atlantic Ocean. Guests can experience breathtaking year round sunsets. The dining room, coolly attired in aquamarines and

soft neutrals, brings the sea to the table with magnificent views of the Atlantic Ocean. An imaginative anthology of seascapes by highly acclaimed artists adds splashes of color to the sparkling setting. The Ellerman Villa & Spa has added a striking XXIth century component to the classic original. Superb food, a cellar of 12,000 bottles of South African wine and an important art collection epitomize proud South African hospitality, placing it amongst the best in the world.

The two Superior Suites are ideal for honeymooners – plus, there are nine individually appointed luxury double bedrooms that complement dazzling sea views with extra large beds, fine linens and complete privacy. Also the Ellerman Villa has 5 bedrooms.

It is the perfect springboard from which to discover the Cape's many and varied attractions- sun-drenched beaches, world-class restaurants, majestic Table Mountain, a spectacular scenic drive to Cape Point, golf courses, the Kirstenbosch Botanical Gardens and some of the special places that only Capetonians know.
