

Garonga Safari Lodge

Garonga Safari Camp is an exclusive 14 bed camp in the greater Makalali Conservancy situated west of the Kruger National Park. This unassuming sanctuary promises a more intimate wildlife encounter in an unhurried environment – somewhere where you can unwind, sleep deeply and be yourself.

The accommodation at Garonga Safari Camp reflects the surroundings of the bush – textured earthy colours and clean lines have been incorporated with fine linen to ensure pure comfort, a tempting place to lie and meditate for hours.

The Tented Rooms are situated on a dry riverbed – each with a wooden deck that commands spectacular views. The rooms are spacious, with large, draped beds. In addition to the indoor shower, there is an outdoor shower that flows outwards from the luxury of the room, providing a continuous link to nature.

The food at Garonga Safari Camp is a fusion of the resident chef's exceptional culinary skills and there is a varied selection of excellent South African wines – making every meal at Garonga an unforgettable experience.

Garonga's holistic philosophy is to offer a safari for the soul, an unhurried and intimate wildlife encounter – a time to reflect and find inspiration in nature. You can

either try your hand at every activity we have on offer, or you can do simply nothing at all – lazing in the hammock with a good book while watching the grazing impala. Garonga offers a true safari in a pristine wilderness. The wide variety of game at Garonga ensures that guests are pleasantly surprised at what they see, as well as how close the animals are when they are sighted.

Activities include game drives, wilderness walks, sleep-outs, outdoor bush-baths and aromatherapy and reflexology sessions. We encourage our guests to indulge in activities that will allow them to walk close to the animals, and thereby enhance their wildlife encounter. Revitalise your mind, body and soul and escape to the Sala, and feel invigorated and calmed by the Aromatherapy and Reflexology treatments.

For a truly magical experience take advantage of a sleep out on their own on a beautiful deck with stunning views overlooking the Veldt. Left with a Sumptuous Picnic Hamper, a Drinks Box, and Hot drinks and a radio enjoy a truly romantic experience (only 20 minutes drive from the main camp) before you are collected in the morning.
