

Hunters Country Place

A find of rare distinction, Hunter's defines the benchmarks for sumptuous country living, exemplary service and acclaimed gourmet cuisine. Situated near the golden beaches and indigenous forests of the Garden Route, this exclusive country house features superbly decorated Garden, Premier, Classic and Forest Suites, a bright conservatory, forest chapel, antique shop and Pumba's Garden, a fully serviced children's play area. Hunters country house is an exclusive, family owned retreat set in the magnificent Garden Route of the Western Cape region of Southern Africa. The gracious, original homestead is surrounded by beautiful gardens and framed by the majestic mountains of "Tsitsikamma" The place of Sparkling Water.

In the extensive gardens surrounding the manor house are 23 luxurious cottages & suites, each individually decorated and designed for the absolute comfort and privacy.

Hunters Country House is set in the magnificent Garden Route of the Western Cape region of Southern Africa. This perfect location offers guests the opportunity to experience activities such as whale watching, canoeing, skiing and lazing on the beaches along the beaches of Hermanus and Plettenberg Bay. In the vicinity of the manor house activities such as horse riding, mountain biking, nature trails and train trips are also available for guests seeking a more inland leisure activity.
