

Jaci's Safari Lodge

Both Jaci's Safari Lodge and Jaci's Tree Lodge are exceptional, privately owned lodges, run by Jan and Jaci, together with an outstanding team, they will exceed all your safari expectations. They are situated in the malaria free Madikwe Game Reserve boasting 75,000 hectares of "Top Ten" territory. You can expect to see Wild Dog, both Black and White Rhino, Extensive plains game, including Sable, Gemsbok, Springbok and Giraffe, as well as over 340 species of birds. Jaci's Safari lodge masterfully blends into its

surroundings, encompassing a magnificent main area built around an ancient termite mound. The location was discovered and the concept envisaged by Jan in combination with Jaci's colorful decorating style and attention to detail you are sure of a memorable and unique Safari experience.

Jaci's Safari Lodge has only seven rooms, the Safari Cottage and the exclusive 2 bed-roomed Nare Suite. All the rooms and the Nare Suite are built using shaggy thatched roofs and canvas walls to create a "tented" feel. Each room has an open plan bathroom with a hand built "rock" bath and outdoor "safari" shower. A private wooden viewing deck at the entrance overlooks a small stream where animals and birds come to drink.

Enjoy fire cooked meals in our enclosed boma, or under the stars at a bush braai. Lounge at the pool or enjoy bird watching from the hammock on the bank of the Groot Marico River. Indulge yourself in your surroundings. Meals are prepared in an ultra modern kitchen, in full view of the dining area. Dinners are eaten outside around the open fire in the boma under the stars, or out in the bush on a "braai", surrounded by nature. There is also a well-stocked craft shop. Jaci's Safari Lodge now has a fully equipped gym, overlooking the river and

situated between Jaci's Safari Lodge and Jaci's Tree Lodge. Between the early morning and evening game drives and walks, there is a cool swimming pool overlooking the river. Lie in a hammock, sip an ice-cold drink, watch the birds, the butterflies and beasts, relax, unwind. The day, the place and the ambience are yours, in peace.
