Seychelles is one of the richest fishing grounds in the world and promises an exciting and rewarding experience for fishing enthusiasts. Boats are available for charter to explore the waters around Seychelles where fishing is allowed all year-round. If you prefer to explore the waters more intimately, scuba diving will allow you to explore the rich diversity of coral reefs and marine life unique to Seychelles. Experience the breathtaking bird's eye view of Seychelles onboard a private chartered helicopter. Taking off from the hotel grounds, the helicopter ride will enable you to discover the beauty of the inner islands of Seychelles. Made up of small islands, the Seychelles is perfect island-hopping material, many of which are untouched and possessing its unique charm. Some are rugged and mountainous, covered with dense natural forest ideal for trekking; others are perfect for couples to share an intimate picnic. There are islands that are bird sanctuaries, islands that have century-old giant tortoises roaming free and uninhabited islands that feel like a million miles from anywhere.

Close to the comfort of your luxurious villa, you can also work out at the resort's infinity pool, tennis court and gym, or be pampered at the lavish spa and beauty salon. Water sport facilities are available subject to season and sea conditions.
