

Klein's Camp

Klein's Camp is one of the CC Africa group of small, elegant safari lodges, set against some of the world's most awe-inspiring backdrops. Klein's Camp is deep in the heart of Maasai territory in the buffalo-rich north-eastern Serengeti in Tanzania. Its 10 000-hectare

(24 800-acre) private wildlife concession – leased from our Maasai landlords – is allotted for the exclusive use of the camp's 20 guests, offering you the ultimate personal Tanzanian safari. With Kenya's Maasai Mara National Park to the north and the Serengeti to the west, Klein's is one of the most strategically positioned wildlife sanctuaries in the world. The camp is set on the edge of the Kuka Hills, commanding breathtaking views of the valley through which hundreds of thousands of wildebeest and zebra migrate, in addition to excellent year-round game viewing. Action-packed night game-drives and extensive bush walks into the Serengeti are unique in Tanzania and an absolute highlight.

Klein's Camp has ten intimate twin-bedded cottages made of rock and thatch with rich wooden floors and serene, classic interiors. The round stone walls of the cottages and polished wooden floors offset the soft cream and gossamer interiors. As in days gone by, water for the shower of your en suite stone bathroom is warmed each evening by a roaring fire under the tank while you enjoy quiet sundowner drinks on your private veranda. Escorted by the quiet, regal Maasai, dinner waits in the lantern-lit dining room overlooking the valley below.

Klein's Camp's location in an exclusive wildlife concession bordering the game-rich north-eastern Serengeti National Park offers exciting game viewing, as well as the only night game-drives and bush walks in the Serengeti ecosystem. Other activities include interpretive bush walks, Maasai cultural visits, and bush banquets. Also, the unique Specialist Safari is an unforgettable way of experiencing Tanzania's northern safari circuit, accompanied throughout by a professional CC Africa

guide and private safari vehicle. Each day is a tailor-made adventure, as you choose your own itinerary and choice of accommodation from our spectacular lodges set in Tanzania's wildlife high spots.
