

Tarangire Safari Lodge

Built on top of a high bluff with a breathtaking panorama, our lodge is superbly located in Tarangire National Park, providing one of the best views in Africa. Carving out the landscape below the lodge is Tarangire River, a favorite watering place, which attracts impressive numbers and variety of game. The scene unfolds before you while lounging on the outdoor patio, allowing you to appreciate Tarangire's diverse wildlife without ever leaving the lodge. At the heart of the lodge are the impressively high

thatched roofs of the lounge and dining room. The open-sided design allows an uninterrupted view of the landscape and wildlife below, and captures the cooling breeze while you dine on our delicious home cooked safari cuisine.

Forget whatever association camping brings to mind, this is something quite different. Our tents are spacious, sturdy and comfortable - more like a room with canvas walls than tents of our childhood. Built on a solid base; with a thatched roof, screened windows and en suite stone-walled bathroom with hot water, our tents provide all the space and comforts you need. All 35 tents have been recently refurbished, and we now have 4 tents with double beds. Our luxury twin tents combine the authentic safari atmosphere of 'nights under canvas', with more modern comforts such as electric lights. We also have bungalows that provide the space and convenience of solid walls yet blend into their surroundings by using local stone and echoing the traditional round Maasai huts.

Take a dip in the pool to relax and freshen up after a game drive. The waterslide and splash pool make this area popular with kids of all ages. New comfortable wrought iron poolside lounge chairs can be used for sun bathing or as a cool retreat in the shade for reading your favourite novel or dozing in the afternoon. If you feel like doing a little souvenir shopping, don't miss our well-stocked gift shop. Filled with books on African wildlife, culture, and history, clothes created with local fabrics, colorful textiles, and beaded silver jewelry, we have a unique mix of tasteful handcrafts made by local

artisans – there is something to tempt everyone. Our cozy lounge is furnished with couches made from the weathered wood of old Zanzibar dhows. The over-stuffed cushions make it the perfect place to curl up with a book, or swap safari tales. Tea and coffee is complimentary at all times, or try a local beer or a cocktail mixed at the well stocked bar.
