

# Baraza

Baraza is the latest development on the award winning Bwejuu beach. Capturing the very essence of the exoticism of Zanzibar, this beautiful boutique resort is a dramatic interpretation of a Sultan's Palace of days gone by.

Baraza is a fusion of Swahili, Arab and Indian design and architecture, featuring a series of arches which, in repetition, frame the spectacular natural beauty of this location. With the signature Baraza benches, intricate hand carved stucco décor, Zanzibari antiques, hand made furniture and twinkling brass lanterns, the resort will offer unparalleled facilities, standards of luxury and personal service.

The 30 spacious villas, each with a private plunge pool and terrace, are an expression of Swahili design. The 14 one bedroom villas feature a large master bedroom, living room, bathroom, walk in dressing room, mini bar area and signature Sultans Daybed. The 10 two bedroom villas have the same features, as well as a separate extra bedroom with en suite bathroom. The Presidential two bedroom suite with a large plunge pool, is located right at the ocean front, and offers some special features and facilities catering to the most discerning traveler.

Offering a spectacular setting, pristine beach, Zanzibari hospitality and a world class spa, Baraza is the ideal location at which to experience the magic of Zanzibar while enjoying the luxuries of a premier resort with all the exciting activities on offer.
