

# Breezes Beach Club & Spa

Breezes Beach Club & Spa stretches along the south-east coast of the tropical island of Zanzibar. In this idyllic setting, on a beach stretching as far as the eye can see, you can enjoy

personalized service and long, lazy days in the sun. The hotel has a unique charm and has become renowned for its great attention to detail and tasteful décor.

All rooms are tastefully decorated in ivory tones, with cotton throws, teak wood finishes and Zanzibar carvings. They are fully air-conditioned with

ensuite bathrooms and all rooms have a refrigerator, personal electronic safe box, hairdryer in bathroom as well as a full third bed functioning as a sofa. Standard rooms are located further away from the sea on the property with a terrace and garden view. Standard and Deluxe are identical in terms of décor and size. Suites are Located on upper floor of bungalows with large balcony and sun beds. The Suites have a walk in dressing room and larger bathroom with large terrace, private sunbathing area, and a covered outdoor lounge area. Deluxe rooms are located on ground floor of bungalows with terrace.

Breezes features Zanzibar's first spa. Located in tropical Gardens, The Frangipani Spa offers a world class selection of facilities, health and beauty treatments including our trademarked *Après Safari Treatment*. Breezes Beach Club & Spa is delighted to introduce our sanctuary of Spiritual Fitness for yoga and meditation. This beautifully decorated setting enhanced

with candlelight and incense is the perfect tranquil retreat... the first of it's kind on the island of Zanzibar. Offering a range of marine activities ranging from Beach Volleyball, Pedal boats, canoes to daily snorkeling trips to the lagoon by boat, windsurfing and sailing. Breezes is home to one of Zanzibar's most professional and experienced

diving operations. The Rising Sun Dive Center, which is a licensed PADI dive center, offers all diving services from beginners to advanced diving. Our experienced diving instructors provide personalized instruction on a one to one basis while experienced divers can enjoy the fascinating marine life of the south east coast of Zanzibar. We offer, among other tours and excursions, the unique Swahili Day. All tours and transfers are organized through the services of a fully licensed and registered tour operator marine life organized through the dive centre.
