

Grande Roche Hotel

Nestled in the fertile Paarl valley a mere thirty minute drive from Cape Town, lies the exquisite Grande Roche Luxury Estate hotel. The Paarl Valley itself is redolent with the history of European culture, being one of the first regions of the Cape to be settled by the émigré French Huguenots and Dutch over 300 years ago.

To this idyllic environment the early settlers brought their architectural and agricultural savoir faire. And they left their mark. Today the lovingly restored original Manor House is still the center piece of a thriving vineyard where grapes are grown to plump perfection. Yet even though it still retains its discreet intimacy, the Manor House has taken on a new role as the reception and dining are of one of the most outstanding Luxury Estate Hotels in Africa.

Individual suites are tastefully furnished in every detail to create a relaxing ambience and mood. The twenty nine suite and five standard rooms have all been individual décor and furnishings. Amenities abound with the Kraal Fitness Center fitted with well equipped gym, sauna and steam, a heated pool and massage room with qualified masseur. There are two lit tennis courts, hiking trails, bicycling and mountain biking, and a historical chapel for intimate weddings.

The award winning Bosmans Restaurant ranks among the worlds greatest for its superb gourmet cuisine and service. Among it achievements is the coveted Relais Gourmand status and best Wine list awards... a tribute to its well-stocked cellar of 300 vintage wines. Bosman's international team of chefs, restaurant staff and sommeliers offer a most memorable dining experience.

Here is a sensitive and sensitized environment where you can experience the tranquil nobility of life, relax at the pool, stroll around the impeccable grounds or visit the surrounding countryside and wine estates.
