

Lake Manyara Serena Safari Lodge

Standing high on the bluff of a dramatic ochre and terracotta streaked cliff above the flamingo-frosted expanse of Lake Manyara's gleaming alkaline waters, the Lodge commands panoramic views across the volcano-studded floor of the Great Rift Valley.

Designed to reflect the brilliance of Lake Manyara's unique birdlife, the Lodge draws on an inspirational architectural motif that melds swooping avian curves with the gentle concentric patterns of traditional Maasai 'Bomas' (encampments) whilst the vibrantly coloured frescoes lining the walls are designed to depict the colourful intricacy of bird migratory patterns.

The ambiance of the Lodge is a fusion of lakeside tranquillity, towering volcanic splendour and adventure-packed sporting activity.
