

Matetsi Water Lodge & Safari Lodge

Only thirty minutes from Victoria Falls this is the largest private game reserve in the county with exclusive Zambezi River frontage. The two very different style of accommodation include 12 elegant tents at Safari Camp and three separate exclusive camps of six suite each at Water Lodge.

Matetsi Water Lodge comprises three separate, exclusive camps with six superior suites each. Vast teak doors swing open to private plunge pools and sweeping views of the Zambezi River. Each of the three camps is located on the riverbank under a canopy of sheltering trees.

Matetsi Safari Camp's 12 superior cream canvas suites elevate luxury tented safaris to new heights, merging old-world charm with modern sophistication. An intimate guest area, shaded by a canopy of teak trees, lies on the edge of the open grassland leading to the waterhole.

Activities at Matetsi include twice daily game viewing drives in open Land Rovers, as well as exciting spotlit night drives. Sole use of a Land Rover may be requested for private game viewing. Bush walks through the private Matetsi Game Reserve are led by armed rangers. At Matetsi Water Lodge, morning and afternoon riverboat cruises and guided canoe excursions are among the many delights that await you. Five canoes are able to take a maximum of ten guests on Water Lodge's private river frontage. For bird-watchers, exploring this region is pure magic.

A complimentary daily shuttle is available to guests to visit the Falls and a host of adventure activities - from white-water rafting to walks in the rain forest on the lip of the Falls - can be arranged at your own cost. The ever-changing moods of the Zambezi are a siren's call for today's explorers. You can make your way into Victoria Falls for heart-pounding white-water rafting or gentle boat cruises.
