

Nairobi Serena Hotel

The Nairobi Serena is a quiet sanctuary in a flower-filled garden amid the noise and bustle of one of Africa's most dynamic cities. Shaded by jacaranda, bougainvillea and acacia trees, the hotel is a haven located just moments from the city's business centre and also from most of its attractions, including art and cultural institutions, shopping, nightlife and entertainment.

The Nairobi Serena Hotel has long been considered Nairobi's leading hotel for its standards of accommodation, food, service and amenities, and is a member of the Leading Hotels of the World. The elegantly designed bedrooms feature

intricate timberworks inspired by Pan-African designs and most have views of either Nairobi's skyline across Central Park or of acacia groves and lush gardens.

The main restaurant, Mandhari, offers some of Kenya's finest cuisine and the Maisha Health Club is the best in the country. The hotel also boasts up-to-date business services and exceptional conference facilities.
