

# Pezula Resort Hotel & Spa

Pezula Resort Hotel & Spa is Africa's first truly luxury resort, a sanctuary of privacy and indulgence created to reflect the natural beauty of its surroundings.

Set on a stunning award-winning private estate, known for its dramatic scenery, sweeping fynbos landscapes and ancient indigenous forest, the hotel has breathtaking views of the Indian Ocean, the Knysna Lagoon and the Outeniqua

Mountains. Seventy-eight exquisitely appointed suites in free-standing two-tiered villas (four to a villa) are linked by short landscaped pathways to the nearby main building and accessed by foot or battery operated golf carts.

All suites maximize the spectacular views of the Knysna Lagoon or Indian Ocean and the Pezula Championship Golf Course, and are decorated in a Contemporary African style, with warm earth tones predominating.

Suites are utterly indulgent, completely private and exude a sense of luxury and comfort from the real log fireplaces to the under floor heating in the bathrooms.

With its gourmet cuisine, sumptuous accommodation, world-class spa, championship golf course and vast range of outdoor activities, the hotel offers guests an essentially African experience in a relaxed environment.

The warm hospitality of the staff is underpinned by outstanding personalized service, unsurpassed levels of luxury and unswerving attention to detail.

Pezula Resort Hotel & Spa, known for its gourmet cuisine, offers a number of unique dining experiences.

Executive Chef, New York born Geoffrey Murray, combines vast experience with a deep devotion to using local organic products prepared with a global twist to create his 'Modern Ethnic' menus.
