

Phinda Private Game Reserve

CC Africa's Phinda Private Game Reserve is situated in the lush Maputaland region in northern KwaZulu-Natal, South Africa. Bordering the Greater St Lucia Wetland Park – a World Heritage Site – Phinda comprises 22 000 hectares (54 500 acres) of prime conservation land. Seven distinct habitats shelter an abundance of wildlife including Africa's Big Five (lion, leopard, elephant, black and white rhino, buffalo) and over 380 bird species, while the marine diversity off the nearby coast of Sodwana is said to rival the Great Barrier Reef in Australia.

Guests can look forward to exciting game-drives in open 4x4 safari vehicles led by experienced rangers and Zulu trackers, as well as thrilling optional activities on the water, in the air and on the beach. Exhilarating Walking Safaris are accommodated in spacious en suite safari tents, offering an incredible up close and personal experience of Phinda's pristine wilderness.
