

# Serena Kampala

Serena's Uganda flagship, the Kampala Serena Hotel is an inspirational blend of 5-star polish, pan-African panache, social style and business reliability. Ideally located at the very heart of Kampala, the hotel stands amidst 72 acres of landscaped grounds and water gardens. Drawing

its architectural inspiration from the abundance of Uganda's lakes and rivers, the hotel has been created around a central water theme, which manifests itself both in the extensive water gardens and in the hand-carved panels and shimmering mosaics with which it is decorated.

An oasis of cool and green, encircled by the seven hills of Kampala, this 152-room world-class hotel is the focal point of national, regional, business, political and social life. We offer a wide range of rooms and suites, all of which are elegantly presented in a fusion of international and Ugandan style with complete amenities, and all of which have private balconies or terraces. Our exclusive Bambara Lounge is solely for the use of our residents and offers a stylish lounge with a Bedouin-tented outdoor terrace and meeting area. Additionally, our residents are invited to use the extensive services of our Business Centre. While most of our rooms are designated non-smoking, a number of rooms are available for smokers, but these should be booked in advance.

Inspirationally styled as a showcase for Ugandan art, this unique 5-star hotel offers an international conference centre, a garden auditorium, a rooftop terrace, a rock-sculptured pool terrace, three restaurants, two bars and the Moorish palace of the 'Maisha Mind Body and Spirit Spa'. The hotel is ideally placed in the centre of Kampala, within walking distance of the main shopping and business districts and a short taxi ride away

from such attractions as the Kasubi Tombs, the National Museum and the craft markets. Just 20 minute's drive from Entebbe and Lake Victoria, the hotel is also ideally placed for access to the many beach and sporting opportunities on offer there. Of particular note is the Lake Victoria Serena Resort, our 4-star leisure resort, which has been designed to compliment the 5-star facilities of our flagship Kampala Serena Hotel by offering a delightful and relaxing lakeside retreat. Shuttle services run between the two hotels and complimentary packages can be arranged.
